

Jason Kraus

Partner

1600 Utica Avenue South T 612.464.7549
Suite 600
St. Louis Park, MN 55416

jason.kraus@nelsonmullins.com

Jason designs and implements international patent strategies that create maximum value for clients. He partners with clients to ensure products avoid infringing competitors' patents and to build international patent portfolios that provide a competitive business advantage. He also works with clients to enforce patents against competitors in patent infringement litigation.

Jason has worked with clients in the fields of Medical Devices, Food & Agriculture, and 3D Printing.

Recognitions

The bar rules of some states require that the standards for an attorney's inclusion in certain public accolades or recognitions be provided. When such accolades or recognitions are listed, a hyperlink is provided that leads to a description of the respective selection methodology.
